IFMA SAN DIEGO CHAPTER GRANT PROGRAM
Criteria and Application Form

IFMA San Diego Chapter

The IFMA San Diego Chapter is dedicated to assisting our members in the field of facilities management through financial assistance for Membership Renewal, World Workplace Registration, Facility Fusion Registration and Continuing Education.

PROGRAM SUMMARY

The IFMA San Diego Grant Program was established to provide financial assistance to facility professionals and associates who are not able to receive financial support from their employer or any other professional association.

GRANT AVAILABILITY

Grants will be awarded first to applicants that have not been awarded a grant for the last 3 years. For each event or educational course, a cutoff date for those applicants will be set. Once that date passes, then applicants who have been awarded a grant within the last 3 years will have their grant reviewed and considered for approval. The following grants are available for each calendar year:

(1) FMP Grant: $395 (or actual cost of course)
(1) CFM Grant: $550 (or actual cost of course)
(1) SFP Partial Grant: $550
(1) Membership Grant: $425
(1) Facility Fusion Grants: $399 (each for early bird registration fee)
(3) World Workplace Grants: $785 (each for early bird registration fee)
(2) World Workplace Executive Board Grants: $1500 (each) including (1) for the Chapter President and (1) other Designated Board Member or Award Recipient Attendee as selected by the Executive Board.

ELIGIBILITY REQUIREMENTS

Applications submitted must be clearly related to the facilities management profession. Educational programs supported include locally held certification courses, as well as World Workplace registration fees. To encourage current IFMA members to continue active Chapter participation, despite sudden unemployment, membership renewals for temporarily unemployed members of the IFMA San Diego Chapter are also eligible for this Grant Program (the Applicant will remain responsible for paying IFMA International dues).

Applications must be submitted prior to the beginning of the course or the conference;
funding will not be approved for coursework taken prior to the review and approval of the application.

Applications are open to facility professionals and associates with a current membership in the IFMA San Diego Chapter and are active volunteers for the Chapter (i.e. Board or Committee Members).

FUNDING
Grant funding is for IFMA San Diego Chapter membership renewals (does not include new memberships) for those who are currently temporarily unemployed, World Workplace and/or Facility Fusion registration fees (does not include travel or other expenses) and/or locally held certification courses sponsored by IFMA’s San Diego Chapter (i.e. FMP, CFM, SFP). The maximum grant award is up to $785 per person per twelve (12) month period.

APPROVAL PROCESS
All applications will be reviewed by the IFMA San Diego Chapter Executive Board. Following approval, the reimbursement/disbursement of funds is contingent upon the following action by the Applicant:

For IFMA San Diego Chapter Membership Renewals: 1) confirmation of past membership in the San Diego Chapter; 2) confirmation of pending renewal due; and 3) confirmation of unemployment.

For World Workplace or Facility Fusion Registration Fees: 1) proof of attendance at World Workplace or Facility Fusion.

For locally held IFMA Certification classes sponsored by IFMA’s San Diego Chapter: 1) successful completion of the course described in the application (successful completion is defined as course attendance - all days - confirmed by the instructor) and Certificate of final completion, 2) proof of course payment (i.e. copy of itemized receipt with amount clearly stated) to the IFMA San Diego Chapter Treasurer before funds will be released.

SUBMISSION REQUIREMENTS
Specific requirements have been established for all submissions toward making the review process objective. The form used by the IFMA San Diego Chapter Executive Board to evaluate proposals is included in this application package. Please review this form before preparing your application.
